And willing to do more and gain more experience

Interests

I like going to the Gym I was a personal trainer actually, but am retired now from that job to concentrate more on my career, but I still hit the gym everyday for a perfect health and to keep in shape.

Lion Gym | personal trainer   Egypt, Alexandria | 7/march/2023

- I gained some experience as a 17 years old teen and learned how to deal with clients and problems.
- Also learned Muscle Anatomy and Nutrition only because I like going to the gym and love gaining more experience about anything I go in
